First, let's look to some of the theories that exist around the existence of Dharubhai Dera. Firstly, there are some very bizarre conspiracy theories on how Dharubhai himself had a secret relationship with Prime Minister Narendra Modi. Firstly, there is an article published by the Times of India that claims Kajal Bashi had made a deal with a former chief minister of Madhya Pradesh that enabled Narendra Modi to take the reins back into the state government following his election to power in 2013. However, this was dismissed when it came to light that the link had already been severed earlier this year. It further states that Dharubhai has been keeping himself in regular contact with Prime Minister Modi. Secondly, there is an article in Times Online that states that the government of Maharashtra had commissioned a report for Dharubhai himself. It goes on to state that all political parties in India were informed of the report, as it had revealed about some possible political affiliations Dharubhai Dera might have, along with various other details about his family history. A similar article published in The Hindu claimed that the government, a large stakeholder in Kajal Bashi, was keeping the details secret from Dharubhai himself, as he was a 'loner'. As of now, we do not have any facts to substantiate any 1:59:34 Download.

Dhruva: A Dictator's Story is a movie made by a British actor from the British independent film agency The Weinstein Company on a budget of \$50,000 that he filmed to the tune of \$400,000 in one month. Dhruva is a film that has become a huge success in India, and with over 1 million views as of this week, is available on Netflix. Although Dharubhai's film does not contain a sequel, we can still expect it to generate controversy. As the director of Kajal Bashi, Dharubhai's son, he should take care not to put his son's family through that type of trouble. However, with the help of India Today, the movie is now up for distribution through a major player in the entertainment industry.. To join the UK version of BBC iPlayer [click here](#).
